Memo To: College Athletic Directors and Volleyball Coaches

From: Marc H. Blau, Volleyball Assigning Secretary

Subject: 2010 Volleyball Season

The Tacoma-Pierce County Volleyball Officials Board is pleased to again offer officiating services for the 2010 intercollegiate volleyball season.

To help us better prepare your help is needed in sending us your schedule of home matches and an officiating agreement no later than May 15th. These forms are attached for your convenience. **Please note that these forms have been changed so that you can drag it to your desktop, fill in the boxes, save the form to your computer, and then email it back to us.** We ask that you use this method as it is easier to store and saves on office supplies. If you are unfamiliar on how to do this, please have your athletic secretary or other staff show you.

These forms provide the necessary information to best serve your school. Please remember to include all home matches such as jamborees and tournaments that you may be hosting. A reminder to coaches that if you would like an official to work a scrimmage or exhibition match please give me sufficient lead time --two to three weeks is appreciated as schedules vary during the summer.

It is essential that ALL information be provided including home and cell phone numbers and email addresses for both yourself and your coach. Because I must refrain from working on this during my work hours, it is essential that I be able to contact you in the evening at home if I have specific questions. This number is not given out to anyone else and will be used sparingly.

Please note that we are still using ARBITER to assign our officials and this allows you to check as to if assignments have been made and who is working the match. You can access this site from our website or directly at www.arbitersports.com. Instructions on how to get registered are on our website at www.tpcvob.com

Throughout the season your input is always welcome. Please feel free to email or call me at 253-677-2872 as the need arises. Until then, have a great summer and please return the two forms no later than May 15th. Thank you.
