MILEAGE REIMBURSEMENT

Due to the instability of the price of gasoline, we have established new parameters with the West Central District to determine a fair and reasonable mileage reimbursement rate for both the schools and the officials. The guidelines are as follows:

Based on the average price per gallon as per Tacoma-Pierce County AAA Washington gas price index.

Price adjusted on: Sept. 1st for Fall sports season
 Nov. 15th for Winter sports season
 March 1st for Spring sports season

NOTE: Middle schools will use the rate that is in effect at the time of their first in-season practice.
